Request for Novita services - Schools

Novita's services are provided for children from birth to 18 years of age. Clients must be residents of South Australia and have been diagnosed with either a permanent impairment to physical functioning or an acquired brain injury that has the potential to impact on their participation in life and is likely to require ongoing support.

Novita's support also extends to the children's family, child care workers, teachers, friends and other members of their community. For more information please see www.novita.org.au.

Services can be requested for registered Novita clients by completing this form.

Name of child		Date of request	
School/preschool name			
Regional area or name of town (ie Riverland or Berri)			
Name of child care / preschool / school			
Name of teacher or contact person			

Are the parents/caregivers aware of this request? Yes No

Response to your request.

Once your request is received a team member will contact you by e-mail or phone for more information. We will also discuss the best way to respond to your request, such as phone follow-up, link with local services or planning time for an appointment during our next scheduled visit.

Training and development requests will be discussed with your school and, where appropriate, with other schools and services in your area to ensure that we are able to work as effectively as possible.

Preferred method of communication **Phone / mobile**

Number _____

Email

Email address _____

Best time/day to contact

To help us to determine the best way to provide the support you require, please complete one or more of the following sections as it best relates to your needs:
