Novita's Mighty River Run is the 5 day boating adventure supporting people with disability to achieve their goals and live the life they choose. At Novita, our life-changing services and supports celebrate diversity, champion accessibility, and ingrain inclusivity because we believe everyone plays a part in shaping the society we share.

In 2025, the Mighty River Run turns 18. That's 18 years of making a difference, 18 years of unforgettable moments, and 18 years of adventure.

This year's route takes us through the heart of South Australia's stunning river landscapes, from Berri to Wellington.

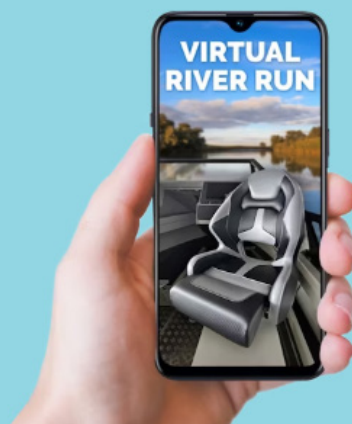

Be part of the celebration, and join us as we raise money to support people with disability right across the state - you can donate to your favourite Mighty River Run crew, or join us from home and buy a virtual seat.

Meet our client ambassadors.

The strength, determination, and positivity of the Mighty River Run is demonstrated through our Client Ambassadors, Bryce, Chloe, Zane, and our newest member, Myles! Each of our ambassadors has gone through unique personal journeys that highlight the life-changing impact of your ongoing support to Novita.

Bryce (pictured rear, right) is a determined young man from Berri who, with Novita's support, has gained confidence and independence, achieving his goal of working at his local grocery store. Chloe (left) is an active framerunner making her mark in the sport while inspiring others with disability to stay active. Zane (right), our 2024 ambassador, is a familiar face at Novita events and loves getting involved in the community. We're also thrilled to welcome our newest ambassador, Myles (front left), who is eager to share his journey and achievements made possible through your support.

Together, our Bryce, Chloe, Zane, and Myles exemplify the spirit of Novita, and their stories are a testament to the impact of your generous and continued support.
