Important Information

Opening times: Weekdays, 3:00pm – 6:00pm

Bookings: To confirm your space at After School Care you can nominate to book your child's space for the term or for the year. Please note, due to staffing costs and vacancies not being filled all bookings confirmed will incur full fees charged to your account – however you will still receive Child Care Subsidies on cancellations

Session Fee: The session fee is comparable to the fee charged by most OSHC services and contributes towards the costs associated with running any OSHC service, such as; staff, training, equipment, resources and activities not of a specialist nature.

	Session Fee	Session Fee (Excursion)
After School Care	\$22.50	

The Child Care Subsidy (formerly CCB) will subsidise the session fee depending on your entitlement.

For further information please go to – www.education.gov.au/ChildCarePackage

Individual Support Fee: The hourly fee will be claimed/invoiced in addition to the session fee to support the higher staff ratios required to support students with disability.

The hourly fee is charged based on the National Disability Insurance Scheme (NDIS) price guide according to the level of support your child needs to participate safely in the Novita OSHC program to achieve their goals. For NDIS participants the hourly fee can be claimed from your NDIS funding or invoiced under Core Supports if your child has a goal that can be met by attendance at OSHC or can be charged direct to you on a fee-for-service basis.

The individual support fee contributes towards the costs associated with ensuring we have the appropriate number of staff with appropriate competencies to meet your child's needs. The hourly fee also contributes to the cost of specialist training, specialist equipment, facilities and resources.

Late Fee: A late fee of \$15 may be charged for collection between 6.01 and 6.15pm. \$1 will be charged for every late minute after that. This fee is to cover the cost of two staff required to stay back after hours to care for your child.

Additional Health Care Needs: Specific Novita OSHC staff are trained to provide additional health care needs to clients as required including administering prescribed medication and providing level 3 health care such as gastro feeds and oxygen. For level 3 care a **RN Delegation of Care Referral** will need to be completed in addition to your child's enrolment.

If your child requires medication a current medication authority is required from the prescribing doctor along with the medication in its original packaging.

Ensure Health Care Plans and all medication required are with your child when they attend Novita OSHC.

Transport: Novita OSHC will assist children getting on and off buses and in and out of taxis. It is the parent/guardians responsibility to arrange transport from Novita OSHC After School Care. Contact your school principal to complete the school transport form to arrange drop off at after school care or speak to the Team Leader to discuss other options.

Food and Drinks: At OSHC we encourage everyone to make healthy eating and drinking choices. Please ensure your child has a drink bottle every day which can be refilled frequently. No soft drink is permitted at OSHC. Please do not send money on excursions unless otherwise advised. OSHC is a nut free and egg free zone.

What To Bring: Healthy afternoon snacks, drink bottle, any medication required including letter from your doctor to administer, Health Care Plan, Sun Smart hat, change of clothes.

Vacation Care: Novita OSHC also operates two vacation care programs at Regency Park and Adelaide West Special Education Centre during the school holidays.
