**Session Fee:** The session fee is comparable to the fee charged by most OSHC services and contributes towards the costs associated with running any OSHC service, such as; staff, training, equipment, resources and activities not of a specialist nature.

	Session Fee	Session Fee (Excursion)

The Child Care Subsidy (formerly CCB) will subsidise the session fee depending on your entitlement.

For further information please go to – [www.education.gov.au/ChildCarePackage](http://www.education.gov.au/ChildCarePackage)

**Individual Support Fee:** This hourly fee will be claimed/invoiced in addition to the session fee to support the higher staff ratios required to support students with disability. The hourly fee is charged based on the National Disability Insurance Scheme (NDIS) price guide according to the level of support your child needs to participate safely in the Novita OSHC program to achieve their goals.

For NDIS participants the hourly fee can be claimed from your NDIS funding or invoiced under Core Supports if your child has a goal that can be met by attendance at OSHC or can be charged direct to you on a fee-for-service basis. The individual support fee contributes towards the costs associated with ensuring we have the appropriate number of staff with appropriate competencies to meet your child's needs. The hourly fee also contributes to the cost of specialist training, specialist equipment, facilities and resources.

**Late Fee:** A late fee of \$15 may be charged for collection between 5.01 and 5.15pm. \$1 may be charged for every late minute after that. This fee is to cover the cost of staff required to stay back after hours to care for your child.

**Medication, Medication Authority, Health Care Plans:** Parents or carers are responsible for handing any type of medication to be administered to OSHC staff daily and signing forms. Medication will only be able to be administered by OSHC staff with a current Medication authority and medication must be in the original single dose packaging clearly labelled. All Health Care Plans must be with the child each day and current. This is a mandatory requirement for your child to stay at OSHC for their safety.

**Companion Card/Disability Parking Permit:** If your child has a Companion Card and / or Disability Parking Permit please send this along on excursion days.

**Food and Drinks:** At OSHC we encourage everyone to make healthy eating and drinking choices. Please ensure your child has a drink bottle every day which can be refilled frequently. No soft drink is permitted at OSHC. Please do not send money on excursions unless otherwise advised. OSHC is a nut free zone.

**Hat & Sun Safe Policy:** Please ensure your child has a hat at OSHC every day. A full brim hat is recommended. Without a hat – no outside activities are allowed unless full shade is available. OSHC provides clients with Sun Sense Ultra Milk sunscreen to be applied prior to outside activities. Advise staff if your child is allergic to this sunscreen and or has their own sunscreen to apply. Children will be encouraged to apply the sunscreen themselves with assistance from staff as needed. In extreme hot weather, outside activities and excursions may be cancelled.

**Personal Belongings:** It is requested that all personal belongings are **clearly labeled** including shoes, bag, hat, drink bottle, jumper etc. Personal belongings including mobile phones and other electronic devices are the responsibility of the owner. Staff will not take responsibility for children's personal belongings brought to OSHC.

**Door Code:** To enter and exit OSHC parents/guardians are informed of the four digit security code. Please ensure the door is closed when entering and exiting the program.
