Dear Parents and Caregivers,

Novita invites you to nominate the days you would like your child(ren) to attend the Recreation program. Below are the days we will be open together with an outline of the main activities on offer. We need to start planning well ahead of time to ensure we have enough staff with the required skills to support all children's needs. The final program will be confirmed in line with bookings to ensure that the activities offered are suitable for children attending and they allow enrolled children to work towards their goals.

Places are limited and fill quickly so please return the attached form by **COB Friday 4th September 2020**. Please do not hesitate to contact me for more information.

We can ensure our staff and any participants will be screened (Asked questions regarding any symptoms) as per the SA Health guidelines and Novita policies. If any participants are sick or showing symptoms of sickness they will not be in the program for the day and be advised to seek medical attention.

Excursion Days – Please be mindful of whether the excursion is suitable for your child. Please consider if the staffing ratio agreed will allow them to safely attend the excursion.

Important Information & Reminders:

Opening times: 8am – 6pm – Please allow around 15 min when signing in your child to the Rec. program to ensure they have everything required including medication, Health Care Plan, hat, personal care items, food, drinks, change of clothes etc.

Individual Support Fee: This hourly fee will be claimed/invoiced to support the higher staff ratios required to support students with disability.

The hourly fee is charged based on the National Disability Insurance Scheme (NDIS) price guide according to the level of support your child needs to participate safely in the Novita Rec. program to achieve their goals. For NDIS participants the hourly fee can be claimed from your NDIS funding or invoiced under Core Supports if your child has a goal that can be met by attendance at Novita Rec. or can be charged direct to you on a fee-for-service basis.

The individual support fee contributes towards the costs associated with ensuring we have the appropriate number of staff with appropriate competencies to meet your child's needs. The hourly fee also contributes to the cost of specialist training, specialist equipment, facilities and resources.

Excursion/Visit Fee: A fee will be charged for excursions and incursions separate to NDIS. NDIS will not pay for excursions for clients. You can pay this in cash before, or on the day of the excursion.

Late Fee: A late fee of \$15 may be charged for collection between 6.01 and 6.15pm. \$1 may be charged for every late minute after that. This fee is to cover the cost of staff required to stay back after hours to care for your child. This will not be covered by NDIS and will be an out of pocket expense.

Health Referral Training: Parents/Guardians of a child that is new to Novita Rec. requiring level 3 staff assistance such as nutrition via gastrostomy feeds, are required to complete a **Health Referral Training form**. Please allow additional time for the enrolment process to allow for any additional staff training and credentialing required. Contact the Program Leader on 8243 8282 for more information.

Medication, Medication Authority, Health Care Plans: Parents or carers are responsible for handing any type of medication to be administered to staff daily and signing forms. Medication will only be able to be administered by staff with a current Medication authority and medication must be in the original single dose packaging clearly labelled. All Health Care Plans must be with the child each day and current. This is a mandatory requirement for your child to stay for their safety.

Companion Card/Disability Parking Permit: If your child has a Companion Card and / or Disability Parking Permit please send this along on excursion days.

Food and Drinks: At Novita Rec. we encourage everyone to make healthy eating and drinking choices. Please ensure your child has a drink bottle every day which can be refilled frequently. No soft drink is permitted. Novita Rec. is a nut free zone.

Hat & Sun Safe Policy: Please ensure your child has a hat every day. A full brim hat is recommended. Without a hat – no outside activities are allowed unless full shade is available. We provide clients with sunscreen to be applied prior to outside activities. Advise staff if your child is allergic to this sunscreen and or has their own sunscreen to apply. Children will be encouraged to apply the sunscreen themselves with assistance from staff as needed. In extreme hot weather, outside activities and excursions may be cancelled.

Personal Belongings: It is requested that all personal belongings are **clearly labelled** including shoes, bag, hat, drink bottle, jumper etc. Personal belongings including mobile phones and other electronic devices are the responsibility of the owner.
