Our crew 'Knot For Sale' are a passionate group in supporting people living with a disability and those in need. We all had such a memorable time on the Mighty River Run 2021. Being our first year we were blown away with the generosity and community the MRR has created amongst other crews and the clients of Novita. Our crew is already pumped for 2022 and cannot wait to step it up to raise even higher funds for Novita and their clients, Client Day was also a hit. So many new friends and great memories made.
